

Price list Membership

A fixed charge for all companies start at the following intervals.

Turnover to the automotive industry	Fixed charge
< 5 Million SEK/year	6 410 SEK/year
5 – 20 Million SEK/year	19 240 SEK/year
> 20 Million SEK/year	25 650 SEK/year

For companies with a production in Sweden there will also be a variable fee for 0,12% of the turnover to the automotive industry in Sweden. This will apply from the second year of membership.

The total sum will be invoiced in January. The maximum fee in total are set to 79 500 SEK/year.

If you are a start-up company and have existed for a maximum of 5 years and makes a profit of a maximum of 3 million SEK a year, you are welcome to be a member free of charge for 2 years. After that, a fee is charged as above.

Price list Associated membership

If you do not have a Swedish organisation number you can be an associated member of FKG. This applies if you are a globally active company and if you are directly or indirectly operative with deliveries to the Swedish automotive industry. As an associated member you do not own the right to vote in the general assembling.

The annual fee for an associated membership is **10 600 SEK**.

This will be invoiced in January.
